

ASSESSMENT TASK

Please find the detail of the Technical Assessment Session below where the link and credentials have been mentioned for the same:

(1) Applications Urls:

1. <https://webo.digital/>
2. <https://webo.dev/dallcon-new/>
3. https://webo.dev/plantman_dev/

(2) **Server Credentials** are: Username = WEBO, Password = [qe^kGYA]D2*

Note :

1. If you choose Automation Testing, then you have to do the assignment of one application URL between 1 and 2, where code submission is required, and should prepare at least a test case and a user manual for any of the 'submission forms' from any of the websites you have automated.
2. If you choose Manual Testing, then you have to complete all three applications with proper documentation i.e test plan, test cases, Proper bug report, and a user manual. The user manual can be made of any one application.

Note: All materials submitted by the candidate will be used exclusively for assessment purposes.
